

A SIMPLE, COST-EFFECTIVE WAY TO OFFER COLLEGE CREDIT.

- Offer college credit with no additional cost to school
- No additional teachers needed to teach the courses
- Add college courses to your curriculum offerings
- Help students excel and continue to be challenged
- Prepare students for college-level coursework

STUDENTS GET A HEAD START ON COLLEGE.

- Earn college credits at a reduced tuition rate
- Ease into the challenges of college coursework
- Experience college courses taught by UNL faculty
- Knock out general education requirements
- Take courses to help decide on a major

Give students a jump start on college!

Advanced Scholars.

Online college courses for high school students.

Students have the opportunity to earn college credit, learn from outstanding UNL faculty, and “preview” the college experience—all at a reduced tuition rate.

UNIVERSITY OF NEBRASKA-LINCOLN

Check out our online course offerings that give students a jump start on college.

ADVANCED SCHOLARS

UNIVERSITY OF NEBRASKA-LINCOLN

Online College Courses for High School Students

Advanced Scholars allows high school juniors and seniors to earn college credit and “test drive” the college experience in the comfort of their high school.

What makes Advanced Scholars unique? Our online courses are taught by the same UNL faculty who teach on campus. Students take college-level courses typically taken as college freshmen. Earned college credits are verified by a UNL transcript, making it easy to transfer credits to most accredited colleges. Advanced Scholars gives students a real university experience.

COSTS & FEES

There are no additional program costs, facilities or distance fees for your school. Student expenses include a one-time application fee, course tuition, and books and materials (if applicable). **Advanced Scholars tuition is more than 40% less than regular tuition.** Visit advancedscholars.unl.edu for current rates.

YOUR ROLE

Being an Advanced Scholars partner high school is a minimal time commitment. You’ll designate an administrative contact person, proctor and technology contact. You’ll use the free materials that we provide to talk to eligible students and parents about applying to the program. Once students are accepted and register for courses, we’ll keep you informed about your students’ progress.

BECOME AN ADVANCED SCHOLARS PARTNER SCHOOL

Offering college-level courses through Advanced Scholars is easy. Visit advancedscholars.unl.edu/partner to learn more or contact us. Once you complete the New School Application form found on our Web site, you may begin submitting student application materials.
